

	a	b	c	d	d	e
				min.	max.	
01 069	90	72	55	10	28	56
01 070	90	85	68	10	28	56
01 071	90	122	105	10	28	56

The technical drawing illustrates the physical dimensions of the meter models listed in the table above. The left view is a front elevation showing the meter's profile with dimensions 'a' (total height), 'b' (width), and 'c' (internal width). A vertical dimension of '85 max.' is indicated on the right side of the front view. The right view is a side elevation showing the meter's depth with dimensions 'd' (depth) and 'e' (total depth). The drawing is a line drawing with hatching used to indicate different components or internal structures.
