

	a	b	c	d	d	e
				min.	max.	
01 069	90	72	55	10	28	56
01 070	90	85	68	10	28	56
01 071	90	122	105	10	28	56

The technical drawing illustrates the dimensions of the mechanical components listed in the table above. The front view (left) shows a rectangular unit with a cylindrical top section. Dimension 'a' is the total height, 'b' is the base width, 'c' is the width of the main body, and '85 max.' indicates the maximum height of the top section. The side view (right) shows the profile of the unit, with 'd' representing the thickness of the main body and 'e' representing the total depth. The drawing uses standard engineering notation for dimensions and tolerances.
